PADDLE AT THE POINT

Whereas on Saturday, June 5, 2010 the person(s) named above joined together with paddlers from across the country at the confluence of the Allegheny, Monongahela and Ohio Rivers to set a World Record with 1,619 boats and formed the largest raft of canoes and kayaks;

Now, therefore, Paddle at the Point set a World Record for the City of Pittsburgh as part of Pittsburgh's World Environment Day celebration.
